Vo-Tech is a special kind of school where students learn trades that will help them later in life. At Vo-Tech, students meet many different kinds of people from different schools.

One Vo-Tech senior expressed her feelings like this: "Life is like a pathway. Take one step at a time, and when you come to a cross in the pathway take the direction best for you and your future. To me and many other Vo-Tech students, it seems we took the right step."

ADMINI

Dr. Primo V. Toccafondi, Superintendent

To the Class of 1985:

In life there are many beginnings and endings. For me this school year was the beginning of my tenure as Superintendent of the Indian River School District. For the class of 1985, this year marked the end of a schooling experience that was filled with challenge, success, and an occasional seemingly insurmountable hurdle.

From all of these experiences you have grown and matured. You have prepared yourselves well for the next beginning. Once again you will face new challenges, new successes, and new obstacles. You are now able to face these new challenges with ability and confidence.

For your past accomplishments I congratulate you. As you pursue your future goals, I extend sincerest best wishes.

Primo V. Toccafondi, Ed.D.

TRATION

Earl J. Savage, Principal

Jane Baker, Nurse

Betty Ann West, Secretary

Congratulations to the Class of 1985! Your efforts in school since September, 1972, are soon to be realized.

During the intervening years each of you has experienced happiness, sorrow, pain, elation, disappointment, and bliss. Many laborious hours in the classroom as well as outside school, have led you to Commencement, 1985.

As you reflect on your past accomplishments I hope you will treasure the things you have been taught and use those skills as a springboard to even greater accomplishments in the future.

Best of luck to you!

After the Homecoming Pep-Rally all spirits were high for the game. The game was a great shock and disappointment. Sussex Central put up a great game with Archmere even with the losing score of 34-6. The first half of the game no score was made by S.C. It wasn't until the third quarter that Central made their score.

During half time the Homecoming activities began. First, there was the judging of the class floats. The Class of 1986 won the honors of the winning float with the title of "Execute the Auks". Then the Homecoming court was shown. All of the court and escorts were dressed nicely with the excitement of winning. The two girls that won were Kelli Lesniczak as queen with her escort Eric Ratcliffe. The princess selected was Carla Shockley with her escort Larry DeWitt. Afterwards, there was a dance that was still a great success. Another perfect Sussex Central Homecoming!

Sussex Central . . . Indian River . . . anyone knows that if you mention these two names around certain people, you will definitely feel the air become tense and the friction vibes flow. So how is it that three months out of the year, these two arch rivals can come together, work together to put on a show, and always make it a HIT?! No one knows what it is exactly . . . but . . . when you put these two schools together, combining both talent and enthusiasm for one show, the outcome is most definitely-the "Greatest Show on Earth".

"South Pacific", which was directed by Helen Kaus and musically coordinated by Richard Eckerd, is a double love story. The first romance is about a "baseball apple pie" all American (a Navy nurse) who falls in love with a French planter, who escaped to this island from France years before when he had inadvertently killed the town bully. The second is about a rich, "blue-blooded" Philadelphia Marine, who falls in love "at first sight" with the young, innocent island daughter of the clever swindler, Bloody Mary. In this play you see how they try to overcome their racial prejudices, defying their society during WWII.

Incredulously, the stage was transformed into a tropical island, with "almost real" U.S. Navy men and nurses. As expected, these people, after many long nights of practice, did once again, put on a thunderous, "bringing down the house" show!

The Lady Knights had a very successful season with an overall record of 11-2-2. Much of their success was due to team spirit and dedication. There were many returning starters and many individuals who have achieved all-conference recognition.

High points of the season were the following: beating Cape for the first time in 8 years; scoring 3 goals in the last 5 minutes, to beat Laurel 4-3; getting into the state tournament and beating Brandywine in triple over-time in a tournament game.

The ability to play well together, and overall hardwork, made the Lady Knights the team to beat. To quote coach Debbie Windett, "We had a great year-carrying on the winning tradition of SC Hockey."

The 1984 - 85 soccer squad finished the season with a 9 - 4 - 2 record. The best in our school's history! They clinched 3rd place in conference and were denied a berth in the state tourney by 1 point. The team was led by captains Joe LaPierre, Mark Conway and Larry Timmons. Other outstanding players were Patrick Tamby (a foreign exchange student from Germany), Juan Paredes (a foreign exchange student from Mexico), and sophomore Paul Conway. All in all, it was a supreme team effort. Three players made the all-conference standings; they are Joe LaPierre, 1st team; Mark Conway, 2nd team; Larry Timmons, 2nd team; and Paul Conway made honorable mention. Front Row: J. Miles, D. Calhoun, D. Cannon; Back Row: G. Klopp, M. Peden, B. Joseph, T. Heck, J. Peden, R. Joseph

The 1984 Cross Country Team, coached by Ed Dean, had a disappointing season, with a record of 1-8. Their only victory came when they defeated Laurel. Due to the loss of last year's senior captain, Daryl Calhoun was the only returning letterman.

First year coach Mr. Dean felt that this was a rebuilding season and that the Knights will come on strong next year. All in all, the team had a learning experience which proved to be fun.

1985 GIRLS BASKETBALL

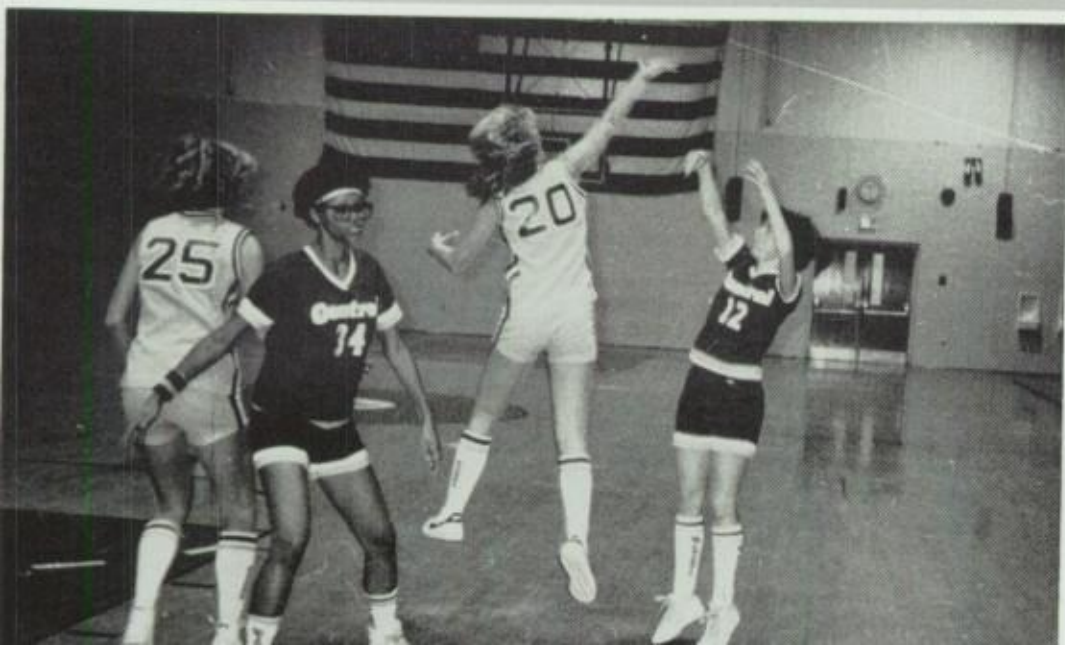

S. Ellison, M. Norwood, T. Tipton, J. Barth, J. Young, R. Phillips, H. Wise, D. Polk, K. Polk

This year's girls basketball team was characterized by leadership and character - the leadership of seniors Terri Tipton, Jill Young and Peaches Phillips and the addition of the fine character of juniors "Tweety" Wise and Karen Polk and sophomores Monnie Norwood and Donna Polk. The ladies' pride in themselves and their team spirit showed all the highest qualities of today's young people. It was indeed an honor to be their coach. Coach Dave Marvel

Seniors: T. Tipton, J. Barth, J. Young, R. Phillips

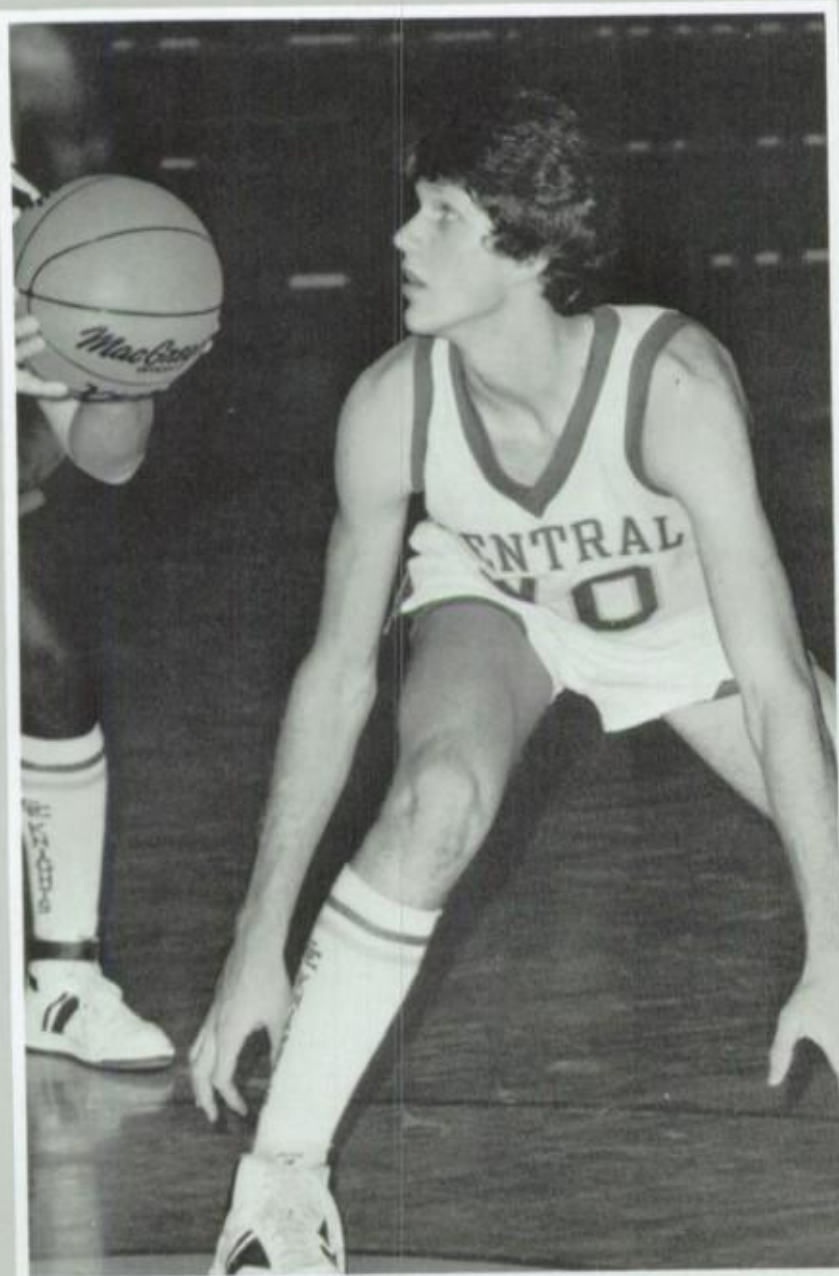

1984-85 VARSITY BASKETBALL

Sussex Central was not expected to have a good team in 1984-85 because of the graduation of many seniors in 1984. As of February 7, 1985, the team was tied for first place in the Northern division of the Henlopen Conference, ranked ninth in the state, and ranked number one in the Henlopen Conference. With five of the top seven players returning in 1985-86, the future of the S.C. basketball program looks very bright.

VARSITY: 54 - J. Ingram, 34 - M. Burton, 22 - J. Peden, 31 - D. Slade, 14 - M. Snead, 30 - O. Kelly, 45 - M. Peden, 55 - T. Tipton, 40 - D. Magee, 20 - G. Gibbs, 33 - J. Ling

This year's wrestling team was coached by Mr. Phil Shultie and Mr. Dave Rogers. The grapplers finished the season with a conference record of 6 wins and 4 losses. Due to a strong junior varsity program and some talented underclassmen, next year should be a good one.

YEARBOOK

NEWSPAPER

The purpose of the yearbook and the newspaper, the Joust, is to inform the students of activities occurring during the school year and to give everyone a closer look and a fond memory of Sussex Central. Not only is this a benefit to the students and faculty, but it's also a great learning experience for the staff. Writing, typing, editing, lay-out, and photography all take place in the process of professionally publishing the '84-'85 Yearbook and Joust.

The A.V., Audio-Video Club, and the I.T.S. International Thespian Society, play a great role in our school and also in our community. The A.V. club members learn to work audio-video equipment during school activities, community functions, and classroom situation. The I.T.S. members have had 80 or more contributed hours in extensive theatre activities such as acting, stage crew, committee work, directing, writing, and lighting. Being a part of one or both of these two organizations is not only a great joy, but also a great learning experience.

Special recognition is brought to Chris King for his outstanding job every morning, and also to Susannah Griffin for her great performance in the Possum Point Players production of "Butterflies Are Free." Congatulations!

BOOK STORE MANAGERS

Book Store Managers have a big responsibility. They handle money, make orders, and sell school materials. Without the book store, many would be unable to purchase pencils, pens, tablets, typing paper, license plates, school pins, key chains, gum, candy and more. The book store is a BIG advantage for everyone!

The best players from each region are eligible for a state team which competes with teams from Pennsylvania, New Jersey and Maryland.

The COMPUTER CLUB was created for those students and staff who have a special interest in computers. The club utilizes the computer lab and is able to meet there every day. The club plans some fund raising activities in order to purchase new equipment for the lab.

STUDENT COUNCIL is a group of students who, in cooperation with the administration, strive for the improvement of student life. The organization sponsors many social and educational events during the school year, including dances, The Great American Smoke Out, and assemblies. The five organizations pictured on these pages have one thing in common. The goals of each one involve people helping each other.

Students Against Drunk Driving was organized at S.C.H.S. in 1983 to make students and the larger community more aware of the dangers of driving drunk. Students are encouraged to take the pledge not to drive drunk and are given facts and tips on how to stay sober.

The Martin Luther King/ Christian Children's Club assists students in trouble. They assist those needing lunch money or having interpersonal problems, including problems with teachers. Although much of their energy goes toward dealing with issues of Black students, they are interested in helping all students.

Peer Tutors are volunteers who assist students having academic difficulty. Each student requesting help is matched with a tutor, who works with him or her individually. This organization received a letter of commendation from Governor duPont.

Peer Counselors are trained in listening skills and referral skills, so that they may help their peers with their problems.

Elementary Assistants assist elementary teachers and their students by correcting papers, contributing ideas, and serving as positive role models for younger students.

Activities of the Honor Society include assisting with Open House, a dance to raise money for charity, caroling, a hayride, a trip to Virginia colleges, and an educational trip.

AFS - FLC

FOREIGN

Hi! My name is Rafael D. Rolon. I am an AFS student from Cucuto, Colombia. I think my city is bigger than Georgetown. I am living with Mr. and Mrs. Spontseller. They are very similar to my family in Colombia. My favorite sports are tennis and soccer. I am having a very good time here at Sussex Central High School, and think my English is getting better. My hobbies are listening to my radio, going camping, and Cars. Hasta pronto, RAFAEL

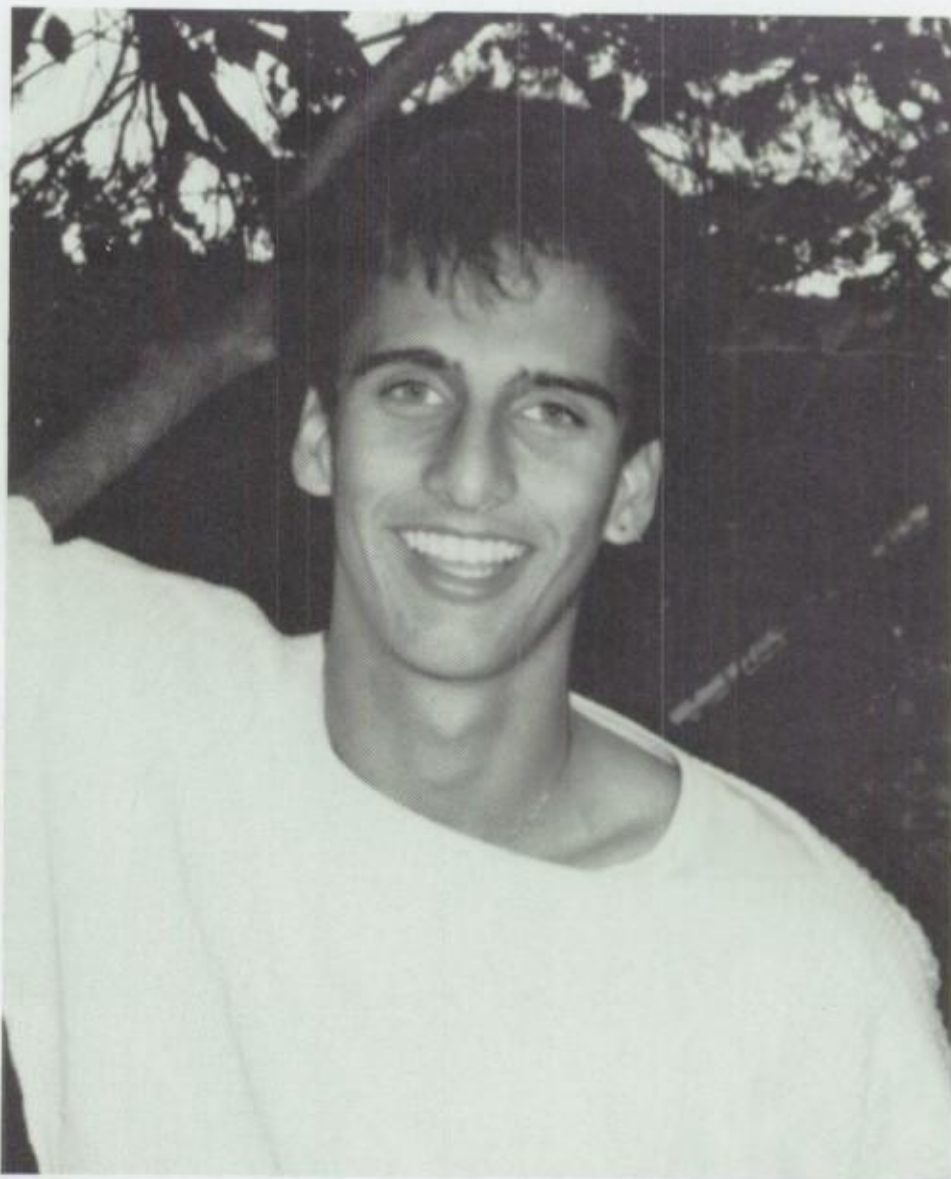

Hi! I'm Juan Paredes. I'm from Tampico, Mexico. It is a small city near the Gulf of Mexico. Now I'm living with Mr. and Mrs. Richard Stevens, Jeff, Mike and David. When I first came here, I worried about what I'd do because I didn't speak English well, but I think now it's really no problem. I know the problem is basically thinking in English. I am an FE student and really came here to learn the American lifestyle. Do you know something? I love this life! It is hard to understand the American people because they are completely different from my people in Mexico, but I hope someday to understand the Americans. I would like to thank all the people who helped me to adjust to American life, especially the students and faculty of Sussex Central. Hasta luego, JUAN

Hil My name is Patrick Tamby. I came to Georgetown with the EFFS Program. I am from Cologne, West Germany. It was quite difficult to go to a town like Georgetown and get used to it. Cologne is very big, and we have over one million inhabitants. I'm living with "Cap" and Mary Jones. I'm very glad that I'm living with them, because they are a really nice family. My favorite sports are tennis, karate, swimming and soccer. Although S.C. is much smaller than my German school, I am enjoying my stay here at Sussex Central. My hobbies are sports, listening to NEW WAVE music and having fun. Tschusschen, Kusschen, Schluss fur heute. PATRICK

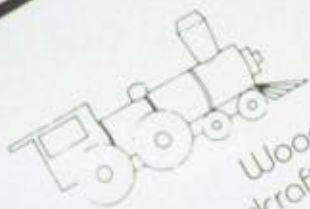

Gross Gott! My name is Michelle Beckett, and I was an AFS Foreign Exchange student in Austria. I spent the past summer in Turnitz, Austria with an Austrian family. My family consisted of a host mother and father, their two children, a set of grandparents and their three children. Turnitz is a small town of about 2000 people, but it was easy to make friends there. My family liked to travel a lot to Vienna, and I also did a lot of traveling on my own. My only knowledge of languages was French and three years of Spanish — no German at all. But with a lot of help from everyone, I began to easily understand this new language. I still often write to my family and friends in Austria and I plan to visit them in Europe again. Auf Wiedersehen! MICHELLE

IN MEMORY OF ROBERT "ROBIN" WHITE

Although not a known friend to our entire class, his memory remains with those of us who knew him in our Elementary years.

They say life is a highway and
Its milestones are the years,
And now and then there's a toll-gate
Where you pay your way with tears.
It's a rough road and a steep road
And it stretches broad and far,
But at last it leads to a golden town
Where golden houses are.
